No other source can compare to the wisdom that God's Word provides (119:97-100).

God's Word is not merely harsh rules but sweet guidance from a loving God (119:101-103).

Worldly offerings will become bitter compared to the sweetness of God's Word (119:103-104).

#### **Nun**

Scripture will light the proper path that sin tries to keep dark (119:105-110).

No matter your place in life, the Bible contains faithful truth (119:111-112).

#### **Application**

Discipleship is a continual process of allowing God's Word to shape you in the image of Jesus.

Commit to making progress in the parts of life that matter most.

Who is discipling you, and who will you disciple?
